

LIVESTOCK SEMINARS

Thursday, July 18th

Watertown

Lake Area Tech
1201 Arrow Avenue
9:00 am - 2:30 pm

Aberdeen

Agtegra Innovation Center
39278 133rd Street
5:00 pm - 8:45 pm

HAVE QUESTIONS ABOUT BUILDING A NEW LIVESTOCK FACILITY?

Join us for an informational meeting on what you need to know if you are considering building a hog barn, cattle barn, or a feed lot.

At the meeting the following will be covered:

- County permitting process
- Nutrient management plans
- Feeding opportunities
- Design and construction of barns
- State DENR permitting process

The seminar is FREE, but registration is required!

To register email Info@agunited.org or call (605) 336-3622 by July 15th
Seating is limited to 75 individuals - complimentary meal will be provided

For more information or other events visit us at:
