

## TCPA Consent Form

To comply with the Telephone Consumer Protection Act, consent is required to send certain communications. This consent form applies to Northern Electric Cooperative members, their employees, or their designees, for non-emergency, automated phone calls, text messages, emails, and any other form of communications regarding load management activities and other information related to utility services ("communications").

These communications may come from the distribution cooperative, its power suppliers, or third-party entities.

This consent applies to the member of the cooperative, their family members, their employees, or any designees as the case may be.

**If I furnish the cooperative with additional names of person(s) to be contacted, additional phone numbers or email addresses, I must obtain the consent of those persons using this form so as to allow the cooperative to communicate with those person(s).**

If I no longer use a phone number or email account, or wish to revoke my consent, I agree to contact the cooperative so that it may delete that phone number or email account from its contact list.

This consent shall continue unless revoked by me in writing.
